

The background image is a composite. The upper portion shows a farmer in profile, wearing a red headscarf and a plaid shirt, holding a large metal bucket and pouring a stream of golden-brown grains into the air. The lower portion, which is tinted green, shows a young child carrying two large bundles of harvested rice stalks on a wooden pole balanced across their shoulders.

The **Farmer** *of* Tamil nadu

*"A Farmer is a magician
who produces money from
the mud."*
